Customer Tier

A donut chart illustrating the distribution of customer tiers. The chart is divided into three segments: Technology (37.53%, light blue), Furniture (32.52%, light orange), and Office Supplies (29.96%, light green). Each segment is labeled with its category name and percentage.

Customer Tier	Percentage
Technology	37.53%
Furniture	32.52%
Office Supplies	29.96%

Sales Contribution

A pie chart titled 'Sales Contribution' showing the distribution of sales across three categories. The chart is divided into three segments: a pink segment for Technology (37.53%), a cyan segment for Furniture (32.52%), and a yellow segment for Office Supplies (29.96%). Each segment is labeled with its category name and percentage, with lines connecting the labels to their respective slices.

Category	Percentage
Technology	37.53%
Furniture	32.52%
Office Supplies	29.96%

Sales by Country

A world map titled "Sales by Country" showing the distribution of sales across the globe. The map uses red bubbles of varying sizes to represent sales volume in different countries. The largest bubbles are concentrated in North America (USA and Canada) and Europe (primarily Western and Central Europe). Other significant bubbles are visible in South America (Brazil), Africa (North and Central Africa), and Asia (East and South Asia). The map also labels the Atlantic Ocean, Indian Ocean, and Antarctica. The map is credited to Microsoft and TomTom, with a copyright notice for 2024.
